In Memoriam: Artemio 'Toti' A Tanchoco Jr

(October 24, 1950 - March 29, 2021)

FMAP would like to pay its respects to a dear friend and member, Toti. Toti was a key supporter of the organization's projects and activities, beginning from its inception in 1997. His sound advice was valued throughout periods such as the Asian Financial Crisis. Being well-liked in addition to well-respected by all, Toti had been invited to become a member of the Board but declined - choosing to instead encourage the younger generation of fund managers and lend them his support.

There was never a more encouraging and supportive colleague in FMAP than Toti. And his humility and service to others will not be forgotten.

Our condolences go out to all his family and many friends. While he will be dearly missed, we are comforted by knowing he is in a better place right now.
